

HHS BY THE NUMBERS

# Excellence in Human Services

**\$2.4 BILLION**

increase in funding for the Child Care and Development Block Grant in each of the last two years

**\$25M**

awarded to 9 community-based projects to prevent child maltreatment, reduce entries into foster care, and provide for needs of families before a crisis occurs

**900+ PARTICIPANTS**

in roundtables around the country on improving access to high-quality child care

**63,100**

adoptions with U.S. child welfare agency involvement in FY 18 — the largest ever recorded

ACF cared for a record number of **Unaccompanied Alien Children** and secured emergency funding from Congress to maintain consistent, high-quality care and safely unify children with sponsors

new state policies and legislation introduced as a result of a public-private partnership to promote work

*Number of children in foster care decreased at end of FY18 for first time since 2011*
